

MEREDITH WILLSON'S
THE MUSIC MAN JR.

**Spend the
summer at
Wootton!**

All camp activities take place in the Wootton auditorium and surrounding classrooms. The areas are all air conditioned, however, brief activities may take place outside.

Whether your child is an experienced actor, a shy kid, or someone who simply entertains all, this is definitely the camp for them!

Profits from this camp go to support the curricular and extra-curricular arts programs at Wootton including the high quality theatrical productions (such as *The Music Man*, *Cinderella*, and *Legally Blonde*) the Wootton Community has come to expect.

Musical Theatre Summer Intensive at Wootton HS

We are very excited to return with our third summer of musical theatre at Wootton for middle school students after a wildly successful first year in 2016.

This comprehensive camp will culminate in two performances of *The Music Man Jr*—a shorter version of Wootton's 2018 Spring Musical *The Music Man*. Enrolled students will learn many of the same songs and choreography and work with the actors and technicians from the Wootton production.

Trained high school counselors from many of the Wootton productions will work under the guidance of Wootton Directors Jessica Speck and Keith Schwartz to make truly memorable experiences for your children!

In addition to learning the material specific to the performance, campers will have the opportunity to learn about lights, props and costumes to support the show.

Daily Schedule*

9:00 - 10:30	Warm-Ups, Theatre Games and Choreography Rehearsal
10:30 - 10:45	Snack (Juice, Crackers, Fruit Provided)
10:45 - 12:45	Singing Rehearsal or Tech Assignment Work
12:45 - 1:15	Lunch (students should bring a bag lunch)
1:15 - 3:00	Rehearsal and Blocking of Performance

Casting will be done on the afternoon of Day 1 of Camp. All enrolled students will be cast in one or more roles.

PLEASE NOTE that to maximize the experience for all campers and offer as many featured role opportunities as possible, the total students enrolled in camp will not exceed 30, which may mean that registration will end earlier than in previous years and prohibit late registrations.
